## Chairperson's and the Treasurer's Report for 2019/20

At this time of year, the Festival Committee would usually be holding an AGM where all members of the public would be invited. As we all know we are not living in 'usual times' and at present we are unable to hold an AGM.

Sadly, the committee had to take the decision to cancel the 2020 Festival.

A lot of hard work had been done and we had the Festival organised and ready to roll out in June of this year. Our sponsors had once again been generous with financial support and we are so grateful to the many of them who have insisted we retain this sponsorship in order to help fund the 2021 Festival. This generosity of spirit in supporting our Festival goes to show how fortunate we are to have such supportive Councils, Organisations and Businesses in our community.

Please support our sponsors during this exceedingly difficult time:

This sponsorship allows us to be in a healthy position going forward into 2021.

On a personal note I would like to thank all the committee members who had worked so hard to arrange the 2020 Festival. Also, thanks to others in our community who are wonderfully supportive with their time and donations. Particular thanks must go to 29design in creating and supporting our website and to Chipping Sodbury Town Hall Trustees and staff for their support of the Festival.

**It has been a difficult year, and continues to be, and we are determined to give our community something to look forward to in 2021 so, yes, there will a 2021 Festival.**

The timing, shape and content of this Festival may look a little different as we try to predict where we might be in 2021. Even so we have identified some events that we are confident we can offer. More information will be available in the New Year so we hope you will check into our web page [www.chippingsodburyfestival.com](http://www.chippingsodburyfestival.com) for more news and info as it appears in 2021.
