## St JOHN'S CHURCH CENTRE

### Lachlan Rowland - Wood

Turned wood bowls, dishes and goblets from a variety of domestic and exotic timbers.

### The Knitting Potter - Ceramics

One of a kind hand thrown and glazed ceramics. All items are wheel thrown and range from mugs, bowls, lemon juicers, vases, lidded jars and more.

### Mair Gapper - Textiles

Working with preloved fabrics and inspired by the hotchpotch nature of coastal villages and the ever changing mood of the sea, I create textile art, bespoke bags and homeware.

### Hobo Moth - Textiles

With a background of glass and textile skills, we use recycled resources, sustainable processes and inspiration from our beautiful world to create unique, functional art work.

### Cat Sarabia - Illustration

With a love of story telling and character design, my illustration explores different media and process in order to share humour, joy and magical adventures.

### Lynn Templar - Printmaking

Lynn uses photography and printmaking to explore the intrinsic character of the natural world around her and her emotional response to place.

## ELSWORTH HOUSE

### SilvaFush - Jewellery

I hand make silver, copper & gemstone jewellery. My inspirations are mainly nature and my spiritual journey. I am self taught and I love sharing my learning with others.

### Stanley Oscar Crafts - Wood

Handcrafted pens and crafts made out of exotic woods, and dazzling acrylics to suit any pen collector, or as a gift for a family member or a friend.

### Peace, Pencils and Portraits - Pencil Drawing

Beth combines a love of pencils with a passion for meditation. She also offers pet portrait commissions and colour pencil originals.

15th and 16th June

10am to 5pm

## THE OLD GRAMMAR SCHOOL

### Michelle's Studio - Group Exhibition

A display of 2D and 3D work, showcasing the creativity and diverse talents of artists who come to art and pottery sessions at Michelle's Studio in Old Sodbury.

### Frojan Glass Art - Glass

Inspired by nature...uniquely crafted with care... Every piece I design and make is cut and decorated by hand, fired and fully annealed in my kiln at my studio.

### A Cotswold Mouse - Wool

Tiny knitted character mice which make ideal gifts or keepsakes.

### Pauline Marshall - Painting

Other worlds original fantasy art paintings in various media. Recently I've been experimenting with watercolour on Chinese scrolls...a sort of Western/Asian hybrid.

### Bob Holder-White

Images (prints) of Bristol landmarks.

### GETU Pens- Wood

Wood Turning, Pens, Clocks, Bowls, Vases, Decorative and Functional Pieces. Certificate in Woodturning from the Worshipful Company of Turners.

### Aggs Richards - Painting

Mixed media artist based in South Glos, drawing inspiration from nature and space. I enjoy painting colourful florals and larger abstract pieces inspired by atmospheric sky and space.
